13 WONDERFUL CHRISTMAS PRESENTS!

These thirteen articles, nestling amidst the boundless stock of the Palais Royal, stand ant superior. They claim for themselves all that is desired for a Christmas present-elegance of appearance and utility. And positively, without any exaggeration, are half-yes, less than half usual prices. The Palais Royal, with its many facilities, purchased these bargains two months since, and has kept them in reserve so they can be showered down on our holiday purchasers, who will appreciate them as much as our earth does a shower of rain in the heat of summer.
